Dear Westville Business Owner,

The Planning & Business Development Committee, composed of Borough Council members, has been approached by several Westville business owners expressing their desire to form a new Westville Business Association so that all businesses in town have an opportunity to network and to grow their business.

The Planning & Business Development Committee has met with those Westville business owners to create a business plan and would like to present their findings to all Westville businesses at a meeting to take place on Monday, September 20, 2021, beginning at 7:00 p.m. in Council Chambers located at 165 Broadway.

I want to assure you Borough Council has been very proactive in their efforts with redevelopment, assisting current businesses, and attracting new businesses to Westville. It is the Governing Body's goal to engage the current business community in our new endeavor to support and expand our business community.

If you are able to attend the September 20th meeting, please send an email to WBA@westville-nj.com to let us know the name of the person who will be attending and the name of your business. If you are unable to attend but would like your voice heard, please send your thoughts and comments to WBA@westville-nj.com. Your RSVP would be greatly appreciated but not necessary.

MISSION STATEMENT

The Westville Business Association's mission is to provide resources, support, and aid to our town's businesses and entrepreneurs. Working together as a community, along with the borough's support, we aim to help each other achieve our business goals, reach our full potential, share our knowledge, and grow, while having fun and building a stronger, more connected community.

Sincerely

Fritz H. Sims, Jr.
Mayor, Borough of Westville
